Roland S. Esplin	Pres. Mt. Carmel Irrigation
William B. Brinkerhoff	Glendale Board Member
Sharon Lamb	Mt. Carmel Board Member
Lyle Chamberlain	Rancher Representative
Charles T. Hepworth	Water Commissioner

Sharon Lamb acting chairman.

Minutes of last meeting were read and approved.

Financial Statement for 1964 was discussed, Headed by Donald C. Nordseth.

Copy of financial statement included in these minutes up to December 31, 1964.

1965
Budget
Financial Report was read and approved.

1965 budget remains the same as 1964.

1964 commissioners report. Problems in reporting by commissioner to State Engineer were thoroughly discussed and suggestions offered. Henry Carroll make report that irrigation water had been equally divided since 1919. Lyle Chamberlain offered receipts showing that water had been divided and a ditch rider or commissioner had been employed since 1927.

It was motioned by Henry Carroll that the commissioner present and discuss his State Report with the various ditch Presidents, before sending it in to State Engineers office. It was seconded by William B. Brinkerhoff. Approved by those present.

Charles T. Hepworth was recommended as Water Commissioner for East Fork Irrigation Companies by Roland S. Esplin approved by those present.

mi

If early water is used before the commissioner starts measuring the water early in the spring or during the winter that a report be given by said water used as to dates said water was used.

Motion to adjourn by Charles C. Anderson.

Roland S. Esplin
